

DEAN S. VOSS
Website Designer

ABOUT ME

Hello! My name is Dean and I am a freelance website designer and my studio is called Wildstylez Website Design Studio.

I am an independent website designer with my own studio, 30 years of retail sales and marketing experience, and a natural flare for the creative.

I specialize in WordPress Website design and Woo Commerce Ecommerce Stores and focus on upscale design for entrepreneurs, small businesses and start ups.

You can learn more about me, my studio and view my complete portfolio at wildstylezstudio.com

PORTFOLIO

Website Rebranding Project

This project included a complete redesign for Generations Against Bullying. The website included over 150 pages and posts. See it at gabnow.org

New Start Up Website Design

Designed per client specification, this is the website for JFT Estate Management at jftem.com

Concept Design

A concept design created for the owner of a Farmers market store. Learn more about this project in my website portfolio.

Rebranding Project

Gus' Mexican Cantina needed a complete rebranding starting with their website. Read more about this project in my portfolio

Marathon Project

A non-profit organization will be hosting a marathon. Here is a concept design I provided for their review. Learn more in my portfolio.
